SUMMARY

A military barracks area is located in the southeastern part of Kirovakan, approximately 2 kilometers (km) east of Kirovakan Army Barracks SW (Figure 1).

The secured installation covers approximately 50 acres and contains a housing area with 4 barracks and 23 other buildings, a motor pool with 3 vehicle storage structures, and an

athletic field with spectator stands and 2 support buildings (Figures 2 and 3).

Comparative analysis reveals that the only major change was the construction of the 3 motor vehicle storage structures in the motor pool area.
